AI Prompt Sheet: Commercial Vendors

Retail, novelty, apparel, toys, flags, and merchandise

Copy. Paste. Reuse.

1. Booth Layout and Visual Appeal

I operate a commercial vendor booth selling _____. Help me improve booth layout, product placement, signage, and customer flow. Ask questions about booth size and traffic before suggesting changes.

2. Product Mix and Sales Focus

Here is a list of products I sell and their price ranges. Identify which items likely drive impulse sales, which support higher margins, and which may be underperforming.

3. New Product or Variation Ideas

Based on what I currently sell, suggest new product ideas or variations that fit fairs and festivals. Focus on low-risk additions.

4. Trend Awareness Without Chasing Fads

Help me understand current consumer trends related to my products. Identify which trends seem stable, seasonal, or risky for event sales.

5. Season Review and Improvements

Help me review my last season as a commercial vendor. Ask questions about sales, booth layout, product mix, and customer behavior. Summarize what to keep, change, and improve.
